

Minhwa Workshop

Join us for a creative and enriching two-part workshop!

In this hands-on experience, we will explore the art of creating a traditional *chaekgeori* featuring the lotus flower.

You'll learn about the symbolic meaning and refined elegance of *chaekgeori*, a Korean folk art genre that represents knowledge, culture, and beauty. Guided through each step, you'll paint the intricate patterns that define this unique tradition. By the end of the workshop, you'll have your own ready-to-hang *chaekgeori*.

No prior experience is required. All materials are provided.
