

# Minhwa Workshop

Pomegranate. Collection of Gahoe Minhwa Museum, Korea.

Join us for a two-part Korean Folk Art workshop and immerse yourself in creativity and culture!

With step-by-step guidance, you'll create your own ready-to-hang pomegranate painting while uncovering the rich cultural symbolism of this auspicious fruit. Celebrated throughout East Asia, the pomegranate is a powerful symbol of fertility, longevity, and prosperity. Its vibrant red hue and abundance of seeds are believed to bring blessings and ward off evil spirits.
